## QUALITY POLICY

Migatron Corporation is dedicated to providing products and services that consistently meet the expectations of our customers and our quality management system.

We will accomplish this through a business philosophy based on a total quality management foundation. We will utilize applicable standards, including ISO 9001, ISO/IEC 80079-34, and our customer's specific quality requirements to continually improve upon developing long-term business relationships.

As President, I personally affirm my commitment to this policy.
